Smocks & Aprons

FeatherLite Smock

The Featherlite Turners Smocks are made from 100% Polyester and are extremely light weight. The breathable material makes it very comfortable while spending long days turning in the shop. The smock is fully zippered and has a mesh, stretch collar for extra comfort. It also has one large covered pocket in front and two large rear pockets for quick and easy access to any accessories you store in them. Shavings roll right off this this short sleeve turner's smock making shaking of debris a thing of the past.
