

Woodworker Guidelines

Beads of Courage has had an increase in interest from generous wood artists kind enough to donate their bowls/boxes. With our Beads of Courage program growing exponentially, there is an even greater need for wooden bowls and boxes. Children and young adults are finding strength in a whole new way by receiving handcrafted, beautiful bowls. The gift of having a safe place to keep hard-earned Beads of Courage can bring a sense of comfort to the heart and is a beautiful way to honor the strength and courage of children battling serious illness.

Bead Bowls/Boxes Guidelines:

- Beads of Courage members may receive thousands of beads. It is desirable for your boxes to hold them all. As a result, turned or rectangular lidded boxes need to be large. Larger is better! Recommended interior dimensions for turned boxes are: 6" diameter (5" minimum), 5" height (4" minimum). Recommended interior dimensions for flatwork boxes are: 4" x 6" x 4".
- Box bases should be wide enough so the box is stable and does not tip over easily. Lids for Beads of Courage boxes should be easy for small or ill children to remove or lift. Any finials should be easy for a small child to grasp and not too elaborate so they don't break. Avoid excessively elaborate designs that may easily break or be damaged; remember, hospital rooms have limited storage space.
- Finishing of boxes is extremely important! Beads of Courage members who receive these boxes are susceptible to germs/infections/mold. Bowls that have not been properly sealed can harbor mold. Please take the time to ensure you are using a safe finishing process that does not contain toxic materials. Also do not use finishes like linseed oil that take a long time to outgas.
- All kinds of wood are beautiful! Please refrain from painting Beads of Courage boxes. Instead, highlight the beauty of the wood with clear varnish, a stain, and/or burning.
- If possible, please purchase the Woodturner Donation Incentive Package. The package includes personalized Woodworker Artist cards and individual Beads of Courage® ceramic logo beads. Many woodworkers like to use the Beads of Courage® ceramic logo bead in their design (20 beads for \$25 with free shipping). If this is not possible, you can find a way to engrave, burn or letter "Beads of Courage" onto the lid or side of the box. Designed specifically for your donation, each logo bead purchased comes with a Woodworker Artist card that includes your personal signature. Ceramic logo beads can be purchased at www.beadsofcourage.org --> Artists --> Information for Woodturners.
- It is nice if you can personalize your donation. Marking your name or initials, type(s) of wood, and date on the box bottom is one way. It is also nice to include a personal note of encouragement, business card, etc. inside the box.

Process for Donation:

There are two ways to donate your handmade treasure boxes.

1. Mail your donated boxes directly to Beads of Courage, Inc. We will ensure they reach a hospital or member in need of a treasure box.

Mail To:

Beads of Courage, Inc.

Attn: Woodturner Treasure Box

3230 N. Dodge Blvd. Suite J

Tucson, AZ 85716

2. Donate your boxes to your local hospital. You are REQUIRED to contact Beads of Courage, Inc. DIRECTLY and NOT the hospital in order to do this. You MUST wait for approval before delivering your boxes. Please understand that even though Beads of Courage is serving 240 member hospitals, we are not in every state, so delivering to a hospital may not be possible. We will do our best to accommodate your donations directly, but you are always welcome to donate to the Beads of Courage, Inc. International Headquarters in Tucson, AZ. We appreciate your understanding.

Steps for donating to your local hospital:

1. Contact the Encouragement Program Manager, Angeline Fahey at angeline@beadsofcourage.org, with a request to donate your boxes to a local hospital in your area.
2. Include number of boxes, town of residence, and date on which you would like to deliver boxes. Please give at least one month notice.
3. We will contact our Program Manager, Beth Moneck, who will locate a member hospital in your area to accept your donated boxes.
4. We will notify you of the date of delivery.
5. We ask that you take a picture of your donated goods before giving them to the hospital.
6. Meet in the lobby of your local hospital at the date and time given by the Program Managers of BOC and deliver your boxes to the Child Life Specialist or assigned individual.
7. Hospital Staff will hand deliver your boxes to children and young adults in the Beads of Courage program.

We sincerely appreciate the caring and artistry put into these one-of-a-kind works of art. Thank you for the significant effort we know goes into making these wonderful boxes!
